

SUFI MUHAMMAD PASHA RAMA

OBJECTIVE

My goal is to apply strong programming and analytical skills to create effective and efficient technological solutions while contributing to the advancement of a more sophisticated digital environment.

EDUCATION

PONDOK IT AL-MADINAH • 2021-2022

Over the course of a year, I focused on full stack development. I honed my skills in both front-end and back-end, mastering frameworks for building dynamic web applications. I also gained hands-on experience in database management, server deployment, and building comprehensive web solutions.

SKILLS

I excel at creating seamless and user-friendly digital experiences, both on the front-end and the technical side. My strength lies in creating user-friendly and technically efficient solutions. I also have problem-solving skills that allow me to tackle complex challenges with practical solutions.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Student Leader PonPes Sulaimaniyah • 10/11/2020 – 10/11/2021

In this role, I led activities and collaborations among fellow students at Pondok Sulaimaniyah Pati. I facilitated discussions, organized meetings, and supported the growth of the learning community.
